

Interior Products

Hot Handles

Crafted from molten glass, Art Glass door knobs fit on Bakwin's Estate hardware. Shown is model 131102, featuring millefiori glass beads. Out of the Blue Design Studio, 727.864.3902. www.outofthebluedesignstudio.com. **Circle 457**

Simple Versatility

With natural variations, multi-colored blends, and highly textured surfaces, the Slate collection for walls and floors is available in square field tiles and in mosaic sheets in several sizes, as well as harlequins and trims. The Slate collection ranges in color from silver and copper to brown and black. Westminster Ceramics, 770.938.8360. www.westminsterceramics.com. **Circle 459**

Warm Stones

Thermostat-controlled, wall-mounted heating stones and tiles produce radiant warmth. The Natural Stone system comes in granite, marble, limestone, or terra-cotta as well as stone mosaics. M&M Trade International, 770.869.2616. www.m-m-tradeintl.com. **Circle 460**

Architectural Embellishments

Carved from lindenwood, a new line of architectural molding accents includes four new corbel designs—three in three sizes, one in two sizes—two stars, and two rosettes with stars. White River Hardwoods, 800.558.0119. www.mouldings.com. **Circle 458**

Color Tile

Made from 93 percent natural quartz, the Retro series of engineered stone tiles comes in 58 colors and is ideal for residential flooring and interior veneers. Matching tiles, slabs, and trims are available. Tiles come in 12-, 16-, and 24-inch squares and 24-by-48-inch rectangles. Innovative Stone, 800.627.8663. www.innovativestone.com. **Circle 461**
