

Joel Berman Glass

The manufacturer's new **Transition** technique safeguards privacy without sacrificing light, easing the glass's texture from crystal clear to deeply embossed, all within the same panel. Choose an obscure bottom with clear top, all-over texture with a clear middle section, or the reverse of either example. 888-505-4527; jbermanglass.com. **circle 744**

Out of the Blue Design Studio

"Totally unique" only begins to describe this studio's eccentric architectural hardware, made by glass artisans around the world. Among more than a hundred Art Glass doorknobs are designer Alex Platheson's clear glass-encased **Floralis** collection. Various finishes may be applied to the metal adjoining hardware. 727-864-3502; outofthebluedesignstudio.com. **circle 748**

Hunter Dou

Vibrant, jewel-toned shading cloth is now up this manufacturer's textile features. Enduro technology, ensuring that stable, and tightly woven the available opacities light and heat you want. 727-8963; hunterdou.com. **circle 745**

Skyl

Botanica custom allows imagery from photographers Henry Danks Zeve Gelbaum. The dored using a color translucent or opaque two-sided overlays, in perhaps, several variations.
